amoroso

Ob jet charmant toi que nous aimons adorons

ton souvenir impérissable en tout lieux

la nuit le jour au lever de l'amour — et

c'est toujours toi que j'ai devant les yeux

C'est toujours toi que j'ai devant les yeux
je me croyois insensible et volage
jamais l'amour n'avoit blessé mon cœur
j'ay vu Zelie a la fleur de son âge
et devant moi je trouvai le bonheur
